RE: EPA Contract No. 68-01-7331
CDM FPC Work Assignment 849

EPA, REGION III
OFFICE OF REGIONAL COUNSEL

Dear Ms. Bish:

TechLaw is conducting research on the Metro Container drum reprocessing site in Trainer Borough, Delaware County, Pennsylvania. This research is being conducted under U.S. EPA Technical Enforcement Support Contract (TESC) 68-01-7331. Mr. Lawrence Falkin of U.S. EPA Region III is directing our research and may be contacted at (215) 597-6679.

In addition to "Metro Container", this site has also been referred to as "Metro Enterprises" and "Universal Container." I would appreciate the opportunity to review all files regarding this site that are maintained at the Pennsylvania Department of Environmental Resources Norristown office. Based upon our earlier telephone conversation, it is my understanding that photocopies of documents will be allowed at a fee of \$.30 per page.

On behalf of TechLaw, thank you for your cooperation with our research efforts.

Sincerely,

Joseph Weslock
